

Quentin the Pig Farmer

One of the more fragrant tasks that Merlin set for Quentin as part of his apprenticeship was mucking out the pens of the three little pigs that Merlin kept in a special yard in the castle.

Though Quentin often grumbled about the odious task he also enjoyed the various puzzles that Merlin set him to exercise his brain as well as his body. And he reproduced one of the puzzles for the ancient Rhyfedd. From the locations of the piggies below can you determine Quentin's magic word?
